A HYBRID CONFERENCE ON MARCH 27-28, 2025

CONVENING CROSS-SECTOR INDUSTRY LEADERS TO
ADVANCE PUBLIC HEALTH

Texas Biomedical Research Institute invites you to be a part of this critical global dialogue by becoming a Strategic Partner at the 2025 Global Health Symposium. The annual conference provides new information in health policy and infectious disease research, while cultivating strong collaboration across disciplines, sectors, initiatives and countries.

Partnership puts you in front of leading policymakers, scientists, business leaders, philanthropists and community members through the hybrid symposium's unique local, statewide, national and worldwide reach. Over 1,000 virtual and 250 in person attendees locally and internationally will participate.

Thursday, March 27
