

Student Directions (half sheets)

UNIT: EBOLA

LESSON 1: ACTIVATING ANTIBODY WARRIORS TO FIGHT THE EBOLA VIRUS!

ACTIVITY 1C: EBOVocabulary PUZZLE...CAN YOU SOLVE IT?

After reading the article, "Activating Antibody Warriors to Fight the Ebola Virus!" you will use your knowledge of key vocabulary terms from the article to complete a 3x3 vocabulary puzzle. You will complete the 3x3 puzzle by finding matching vocabulary terms and definitions. Beware! - There are extra terms and definitions along the edges so you must find the **correct** match to correctly complete the puzzle square. The numbers in the center are for the teacher to do an easy check of your puzzle. The numbers have nothing to do with the puzzle itself.

When you have completed the square, raise your hand for your teacher to check your work!

Good luck!
