NIH/NIAID All TRACs Annual Meeting

IN-TRAC Early Stage Investigators Chrissy Leopold Wager and Susanta Pahari (pictured below, top row third and second from right respectively) presented their work at the NIH/NIAID All TRACs Annual Meeting a couple weeks ago in Berkely, California!

Forum Facilitator

IN-TRAC is looking for you to be our future facilitator

Event:	Participation Perk:
Texas TB Journal Club	Pilot Grant Eligibility, Part 1: Attend at least half of these sessions and be a presenter
IN-TRAC Forum, an interactive forum for discussion of TB topics	Pilot Grant Eligibility, Part 2: Submit a TB topic and Facilitate the discussion

Sign-up Dates:

- January 9th, 2025
- May 8, 2025

Contact Crystal Bolden-Rush with the day you'd like to sign-up. Devcore will follow up and record your topic.

IN-TRAC Forum:

Is a 20-minute talk with no more than 15 slides, the remainder time will be for discussion and questions.

Best Practices:

[Subscribe](#)

[Past Issues](#)

[Translate ▼](#)

- Interact with virtual participants.
- Encourage discussion by focusing on possibilities, opportunities, or solutions.

JOIN IN-TRAC TODAY!

IN-TRAC:

Interdisciplinary NextGen
Tuberculosis Research
Advancement Center

IN-TRAC at Texas Biomedical
Research Institute aims to
attract the next generation of
diverse researchers to the TB
research field.

IN-TRAC OPPORTUNITIES:

Pilot Grants:

Eligible participants may either apply for a travel grant to visit Texas Biomed OR apply for a travel grant to complete an externship at Texas Biomed or at one of IN-TRAC's externship partners.

IN-TRAC Fellows:

IN-TRAC Fellows are pilot grant recipients that receive \$20-100K to support their proposed research.

BY JOINING IN-TRAC, YOU CAN:

- Acquire the knowledge to further your research
- Develop the skills needed to further your career
- Expand your network & strengthen your reputation
- Add IN-TRAC to your CV

IN-TRAC recruitment is in full force!

Please encourage your colleagues to join IN-TRAC by forwarding them the flyer above. There are so many exciting opportunities they can be a part of to further their TB research and experience!
