[Subscribe](#)[Past Issues](#)[Translate ▼](#)

IN-TRAC Forum:

Is a 20-minute talk with no more than 15 slides, the remainder time will be for discussion and questions.

Best Practices:

- Add in 1-2 conclusion questions to get the discussion started.
- Interact with virtual participants.
- Encourage discussion by focusing on possibilities, opportunities, or solutions.

Texas Biomed
Campus/ ZOOM

Click here to find out more and register
<http://intracpatientconference2024.splashthat.com>

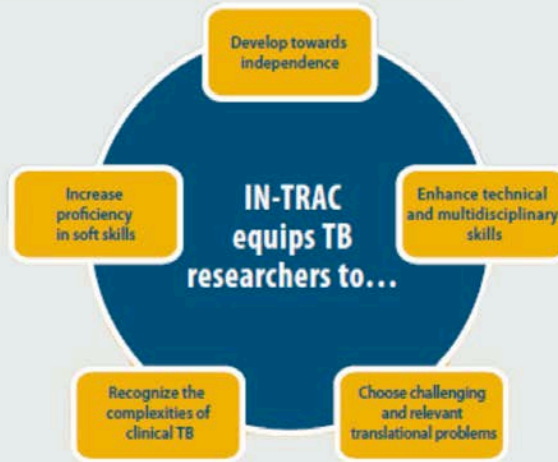

JOIN IN-TRAC TODAY!

IN-TRAC:

Interdisciplinary NextGen
Tuberculosis Research
Advancement Center

IN-TRAC at Texas Biomedical
Research Institute aims to
attract the next generation of
diverse researchers to the TB
research field.

IN-TRAC OPPORTUNITIES:

Pilot Grants:

Eligible participants may either apply for a travel grant to visit Texas Biomed OR apply for a travel grant to complete an externship at Texas Biomed or at one of IN-TRAC's externship partners.

IN-TRAC Fellows:

IN-TRAC Fellows are pilot grant recipients that receive \$20-100K to support their proposed research.

BY JOINING IN-TRAC, YOU CAN:

- Acquire the knowledge to further your research
- Develop the skills needed to further your career
- Expand your network & strengthen your reputation
- Add IN-TRAC to your CV

IN-TRAC recruitment is in full force!

Please encourage your colleagues to join IN-TRAC by forwarding them the flyer above. There are so many exciting opportunities they can be a part of to further their TB research and experience!
