This Year IN-TRAC is Sponsoring...

RUN THE MISSION

RACE TO END TUBERCULOSIS

Together We Make a Difference!

Join us for the second annual Run The Mission: Race to End Tuberculosis, hosted by the Volunteer Services Council of TCID for the Texas Center for Infectious Disease.

This inspiring event brings our community together while raising crucial funds to support patients at TCID who are receiving critical treatment for complex tuberculosis diagnoses, as well as the tireless staff caring for them.

Whether you're a seasoned runner or looking for a meaningful way to make a difference, your participation will directly benefit both patients and the dedicated healthcare professionals who serve them. Together, we can turn every step into a stride toward better care and brighter futures.

REGISTER NOW!

Thank you to everyone who took part in making “IN-TRAC Intensive Week” a big success! We had some wonderful participants, and we’re already looking forward to next year’s event!

Join the Fight Against TB with **IN-TRAC!**

Are you passionate about Tuberculosis research?

Whether you are a student, early career scientist, or advanced faculty, IN-TRAC supports your growth in the fight against TB through:

- **Mentorship from leading TB experts**
- **Interdisciplinary training opportunities**
- **Access to funding, tools, and collaboration networks**
- **Hands-on workshops and career development events**

Scan QR code or email dshope@txbiomed.org to join our mailing list!

New IN-TRAC Promotional Slide Available

We've created a new promotional PowerPoint slide to help spread the word about IN-TRAC! Please include it in any future presentations, talks, or webinars. It's a quick and easy way to highlight the mission and impact of our work.

👉 [Updated IN-TRAC Promo Slide.pptx](#)

Thank you for helping us share IN-TRAC with a wider audience!
